**Things to See and Do Around Campus**

**Student Club Fair:** Outside the Student Center. Bergen offers 50+ student clubs and organizations centered on a wide variety of cultural, educational, and social interests. Stop by to get a sampling of what we have to offer, meet some of our most active student leaders, and get more information about getting involved!

**Academic Programs and Student Services Fair:** The Quad. Take a walk around our new student quad area and visit with BCC faculty and staff. This is a great opportunity to learn about our academic programs, student services and so much more! Everyone here is ready to answer your questions and welcome you to our campus!

If you are interested in touring any of the labs or buildings, including the BCC Interdisciplinary Center for Simulation, the STEM Center, the Broadcasting and TV Studio or the Stryker Manufacturing Lab, please let us know! One of our faculty members, staff or student volunteers would be happy to show you around!
